

## Welcome To Ab Projects

Is to provide good drinking water for the military, relief agencies, civil defense, expeditionary teams of rural areas, contractors who have seashore projects, Natural and man made disaster management teams, & war displaced people.

Farmus Lines is the first and only company to offer a door to door service from the U.A.E ports to Iraq, Um-Qasr port. We are capable of carrying cargo to all major cities in Iraq, in a very efficient service despite the ongoing war.

This factory has been set up in the United Arab Emirates to manufacture tomato paste for re-export purposes. The AB Reltec Column System is a high quality product and by far the most advanced and practically thought of column formwork or moulding system available

ABW FORMS covers all the requirements of construction in columns, walls, fences, beams, ceiling, stairs. [more>>](#)
