Aluminium Scaffolding & Ladders

Welcome To Al Jarsh

Since the inception of Al Jarsh Metal Sections in 2004, it has been a continuous journey towards our Goal. We believe in the saying "If you aim the moon, you will definitely hit the stars". Slow and Steady we are on the path of Success.

We started with fabrication of Industrial and household Aluminium Ladders & Aluminium Scaffolding and recently introduced Fibre Glass Ladders too. Quality, Durability and Safety is our prime concern. Our motto is "Taking you one step Higher".
