

## Welcome To Argos

Argos, Dubai has been at the forefront of supplying quality office automation products and their consumables to the local, regional and international markets for the last 11 years with its 25 staff members. Known as a reliable supplier and a complete solution for office automation and consumable supplies.

Argos has also established itself as one of the largest suppliers of original and compatible toner cartridges, for various brands of office automation products. We are also the distributors for Card Scan business card scanners and POS machines.

With such a wide selection of both original and compatible supplies and parts for your photocopier and laser printer, Argos is indeed a one-stop shopping convenience. Everyday hundreds of calls from local and international markets prove the company's reliability, goodwill and trustworthiness, among its clients. Argos has established an enviable reputation through its dedication to quality and customer satisfaction.
