

Welcome to Imperbit

Aventure of Al Yousuf L.L.C, IMI was established in 1995 as the first company in the U.A.E to manufacture APP (Atatic Polypropylene) & SBS (Styrene - Butadiene-Styrene) modified bituminous structural waterproofing membranes for the construction industry, located in Jebel Ali Industrial Area. IMI supplies a range of high performance waterproofing membranes that rival the best in the market. IMI caters to UAE market as well as exports to over 25 countries worldwide.
