

Water Feature

Welcome to Akar Technical

Established in 1994, Akar specialises in turnkey contracts in the field of irrigation, landscaping and electro mechanical contracting, for both commercial and residential projects. Backed by our parent group Al Ansari Group of Companies, founded in Sultanate of Oman in 1975, we bring over three decades of insight and knowledge to each project, ensuring

our clients the highest quality product and customer service. Propelled by our strong business ethics, continuous improvement and dynamic employee engagement, Akar has made rapid strides over the last decade, establishing itself as a leader in its field, recognized for providing technically sound, aesthetically pleasing and cost effective solutions to our clients.
