

Welcome to Dana Group

The factory located in Al-Quos Industrial Area, Dubai undertakes the manufacture of Water-Heaters, Water-Coolers & Water-Dispensers under the brand name DANA. The factory is well equipped with the latest machines and technological know-how with a dedicated team of 50 well skilled personnel. Very recently we have installed facilities for Glass Lining and Cut-to-Length of Galvanized Sheets. The factory has also attained GCC Certification as a proof of the high quality standardized goods production.
