

## Welcome To Electric Way

Electric Way LLC was founded in 2003 with a vision of playing an active role in the supply of electric materials to the construction & power generation sectors in the UAE and surrounding regions.

Since our establishment, our main focus has been in cables ranging from Armored cables, Control cables, Silicon Cables, Rubber Cables, and Marine Cables, etc. which are used in special applications. In addition to these we stock cable

accessories including Cable Glands & Lugs, Cable Trays and Cable Ladders. We also sell Earthing systems and Earthing Accessories, PVC Flexible Wires among our other myriad cable accessories and items.
